### RIVER RECREATION.

Richmond folks do not get half the leaders in demanding rights, tark the pleasure out of the James River that dent of the United States hang upon ties to protect American workmen sagainst the products of the so-called pauper labor of Europe, when, contemporaneously, Southern and Eastern charming bits of water in the world to the Republican convoition. He was Europeans of law standards of work and right at their doors, yet in hot weath- instructed for Taft, but he says he is Europeans of 15 w standards of work and living have been rapidly displacing na- er, save for an occasional excursion, its for Roomwelt. He says he is in favor living have been rapidly displacing native American wage-earners in the placid bosom is never disturbed by of throwing Senator Root out of the factories and mines of the North and pleasure craft. In contrast to this, hall if Mr. Root "ain't compassionable to the c west. We now find from a study of the recent reports of the Tariff Board and the Bureau of Corporations that our industrial workers, of whatever face or nativity, have not participated in the benefits of our protective tariff water-front to the beautiful mid-system. Neither of these governmental trip fare is only 10 cents, and the agencies have conscientiously prepared trip fare is only 10 cents, and the hogres and ostracized whites who brief for the wage-earner. The results of their studies, however, of morning, and if he desires can stay publican party of South Carolina. That emparative costs of production for a on it all day with no more expense. party casts just 5.07 per cent, of the number of leading articles are no less Business men join their families in total vote in South Carolina; it has conclusive because of their lack of in-It was ascertained by the Bureau of across the water and feasts al frence votes annually. It easts normally 3,983 corporations in its investigations of from the capacious lunch-basket. It group cools off in the fresh breeze 1990, an average increase of thirty-two the United States Steel Corporation is more beautiful and healthful than it dwindled to 2,554 votes, the Chites States Steel Corporation is more beautiful and healthful than the labor cost of producing pig a car ride and just as cheap. For poor those who are feeding from the petronion was only 55 cents per ton. The people who are confined in dusty, as ple counter, and a corporal's guard

of manufacturing steel rais was found to be only \$1.17 per ton, but the existing tariff act imposes a duty of \$3.92. In the case of other iron and steel in the case of other iron and steel products the present customs duty is In the case of other iron and steel products the present customs duty is from three to sixteen times the labor James would add not only to the joy James would add not only to the joy The wide disparity between what is should receive is even more startlingly apparent from an examination of the reports of the Tariff Board on the texture of the communities and who are denied to the search of the study and Suppression of the reports of the Tariff Board on the texture of the search of the sear only 5 cents per yard on cloth which cheap recreation to the average citizen cost the mills \$1.71 to produce. The is one that must be faced by every exuses a monetary loss to society of tariff rate upon this same cloth, howis \$1.02 per yard. On a sample moving-picture show has come as a of Professor Irving Picher, of Yale

contributed more than its statistical or pleasure-will have nothing to fear share of honor men to the cause of from this court. The reckless, brutal, statesmanship, to the ranks of military of his country a call of high duty. And he is old-fashioned enough to be

emerged from the darkness as "appaadjectives admirably sum up the mathis opinion was as to the availability of Senator Root for temporary chairman of the Republican National Con-

Payne-Aldrich law, however, levies a duty of \$2.50 per ton on this commodity in order, estensibly, to protect our while such extensive pleasuring is a great blossing.

While such extensive pleasuring is the selection of a positive for wage-carners. Furthermore, the cost beyond the need or pocket-book of that the selection of a nomines for

## On the Spur of the Moment By Roy K. Moulton

The Anvil Chorus.

Abner Jones resigned his job, just be-cause it made him tired. Sewin' circle met next day and decided he was "fired":

he was "fired";
Bushrod Peeler bruk his leg, fallin' off
a lud of hay,
That he was rip-roarin' drunk was told
in the town next day;
Ezra Spink walked down the street
with a lady, and, of course,
People had it that his wife had decided
on divorce.

Smith hired a stenographer, as his business had enlarged.

And the tongues wagged ceaselessly till the lady was discharged;

Mr. Peebles took a trip with some outside business men.

Sewin' circle, when it met, softly whispered, "Soused again";

Bilkins sold his touring car, didn't like the one he had.

And the word was passed around that his business had been bad.

Mrs. Perkins needed clothes, and she started saving cash.
Selling eggs and butter and cutting down her husband's cash;
Bought herself a summer suit and a four-foot Leghorn hat.
Folks could not make out how she could "afford to dress like that."
Life within the pearly gates will not piease the anvil kind,
For we think they will be told: Leave your hammers all behind.

Job Never—
Slipped on a cake of soap.
Had to button a fifteen collar on a sixteen shirt.
Got a gas bill.
Tried to dodge an automobile.
Was struck by a three-foot hatpin in theatre.

was struck by a three-root hatput in a theatre.
Paid 35 cents for 10 cents' worth of butter.
Tried to get a meal out of a railroad sandwich.
Had to listen to a phonograph concert at a friend's bouse.

cert at a friend's house.

Got off a street car backward.

Had to help pay the expenses of For if he had his hiography would have been somewhat altered and his most famous trait of character would have turned up missing.

According to Uncle Abner.

According to Uncle Abner.

Ren. Binks, the station agent, says the next time the mail cierk on No. 17 knocks him down with a mail bag as the train hastens through this piace he is zoing to have the law on him. The mail cierk is in love with Ren.'s sail and tries to humiliate him whenever possible. The tast mail bag contained a package of hammers, and Ren. was out for three hours.

Nobody ain't ever going to invent a handbag for wimmen that will hold all they want to carry in it.

Life is just one dang thing after another, and it's gen'ally a man after a woman.

never see a feller that had the

ow. Miss Amy Stubbs, our milliner, and Miss Pansy Tibbits are thinking some of doin' a sister act in vaudeville. Amy will trim hats, while Pansy plays on the planner. Everything goes now-adays, no holts barred,
